## Welcome to the 1st Annual Sandy Catalano Open

This event is destined to become the premier annual bowling event on Long Island. Sandy Catalano, who passed away in 2009, was an accomplished bowler who dedicated a tremendous amount of time to high school bowling. It is the goal of the Catalano Family to continue Sandy's legacy by generating annual scholarships via an annual tournament.

All of the prize funds are being guaranteed by The Catalano Family. All entry commissions are going directly to The Sandy Catalano Scholarship Fund. All expenses are being paid by sponsor donations. We hope you will be able to support this very special event. Further details of the tournament and the scholarship fund are available at [www.scholarshiptournament.com](http://www.scholarshiptournament.com).

### TOURNAMENT DETAILS

The Sandy Catalano Open is actually 3 separate events with 3 separate prize funds. The goal of this event is to have EVERYONE participate. Whether you are an average league bowler, a top scratch player, or a senior scratch or handicap bowler, this charity event is a perfect competition for you.

All 3 events will have 3 games of qualifying with 1 in 8 per squad advancing to their own finals. Every squad will also feature a 1 in 4 cashing ratio. If you lead a squad you will receive 1 bye in the finals. If you are the high series of the day in your tournament you earn 2 byes. You may re-enter as many squads as you like and cash on each entry.

The finals for all 3 events will use an elimination format (beat half-the-field per round.) The more rounds you advance the more money you earn. In the handicap event bowlers will use 1/3 of their qualifying handicap in the finals. The final rounds continue until 3 or fewer bowlers are left at which time a 1 game roll off will determine the top finishers and the 3 tournament champions.

Each tournament will have its own tremendous side action. Pots and brackets will be offered in all squads. Raffles and 50-50s will be sold to give away great prizes and additional cash. We hope you can make it to East Islip Lanes on the weekend of December 19 & 20. We promise you a great time and great fun and its all for a great cause.
